

BUDOUCÍ ČAS

(AJ-08-16)

ZOPAKUJME SI:

K vyjádření budoucnosti používáme slovesný tvar **will** + významové sloveso (infinitiv bez *to*). „**WILL**“ je ve všech osobách ve stejném tvaru. Zkrácený tvar – ‘**ll**’.

Příklad: I **will go** to America. (Pojedu do Ameriky.)

I'll go to America. (zkrácený tvar)

zápor: I **will not go** to America. (Nepojedu do Ameriky).

I won't go to America. (zkrácený tvar)

Dané věty v přítomném čase převeď do času budoucího.

Vzor: We *build* more houses. —————→ We **will build** more houses.

1) We have got electric bikes. *We will have electric bikes.*

2) Towns need more car parks. *Towns will need more car parks.*

3) I don't go to university. *I won't go to university.*

4) We have got three children. *We will have three children.*

5) They haven't got any problems. *They won't have any problems.*

6) He moves to Germany. *He will move to Germany.*

7) She helps people in Africa. *She will help people in Africa.*

8) He doesn't travel around the world. *He won't travel around the world.*

9) You haven't got any money. *You won't have any money.*

10) It doesn't be happy. *It won't be happy.*
